

DIAPER CHANGING POLICY

Image Families,

Below are our standard policies and procedures regarding changing diapers:

- Diapers are only changed in classrooms with children 42 months old and under.
- Parents should notify team members at check-in if they deny permission for volunteers to change diapers. This will be noted on the child's nametag, and parents will be alerted if the child's diaper needs to be changed.
- Team members will change a child's diaper if it is soiled.
- Team members will notify parents/guardians whether or not a child's diaper has been changed at time of pickup.
- Parents should supply diapers, wipes, a burp pad and a change of clothing for their child each time they drop off their child. Image Kids will supply extra diapers and wipes as backup only.
- Powder, lotion, or medicated cream will only be provided if the item is in the child's bag and the parent has given express permission/instruction.
- Please direct questions or concerns to the Image Kids Director.

Thank you for your support!
